Please Mr. Postman What Happened To My Last Newsletter?

We're sorry we're a little late. One of the most common questions Sh-Boom gets these days... "What happened to my newsletter? My last one was out of date and I didn't know where Sh-Boom was performing." Sh-Boom wants you to know that we are evaluating the future of this newsletter. With nearly 2,000 fans on our mailing list it is a significant expense to publish and mail the Yakety Yak. We are not certain that this will be the last issue, but that is a possibility. Regardless, this newsletter is always available at www.sh-boom.com.

However, we have good news! If this newsletter is discontinued, Sh-Boom still has several ways to communicate with you. You can still find out where Sh-Boom is performing at www.sh-boom.com, or by calling 314-487-4266. These two sources always have the most recent information and are available for your convenience 24/7. Sh-Boom also sends out occasional emails with information about upcoming events. If you would like to receive Sh-Boom email updates, please send your email address to sh-boom@sh-boom.com. As always, we respect your privacy and we won't inundate your inbox with a ton of messages.

1. Internet: www.sh-boom.com

2. Phone: 314-487-4266

3. Email: sh-boom@sh-boom.com

So...the next time you look at your newsletter and see that it is out of date, please go to www.sh-boom.com or call 314-487-4266 (and select option 2). We appreciate your interest and support of the band. We certainly wouldn't be celebrating our 27th year without fans like you!

To inquire about booking Sh-Boom for your next event, call or email the band 24/7 at (314)487-4266 or sh-boom@sh-boom.com.
